

The screenshot shows a web browser window with a dark grey header bar. In the top left, there are standard OS X-style window controls (close, minimize, zoom). To the right of these is a URL input field with a blue circular icon containing a white dot. Below the URL field is a horizontal row of 11 preview thumbnails, each labeled with a screen width: 1140, 960, 768, 640, 480, 320, 320, 480, 640, 768, 960, and 1140. On the far right of the header is a magnifying glass search icon.

The main content area has a light grey background. At the top left is the logo 'H hayes' with 'LAWN & LANDSCAPE' underneath. To the right of the logo are four input fields separated by vertical bars: 'Company Name', 'Address', 'Phone', and 'email'. Below this is a large, bold, black 'image' placeholder.

Below the placeholder are five dark grey rectangular buttons, each labeled 'LINK' in white capital letters. Underneath these buttons are three columns of text blocks. Each column consists of two dark grey boxes, each containing a paragraph of placeholder Latin text (*Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat.*). The rightmost column contains significantly more text: "Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum."

In the footer, there are several labels with corresponding icons: 'PROJECT: Hayes Lawn & Landscape LLC', 'DATE: 02/05/2016', 'PAGE: 3 of 3', 'AUTHOR: Brian Richardson', and 'NOTES: This page represents an interior page. Color and imagery will be introduced in future versions once the layout has been approved.' Below the footer is a horizontal toolbar with three buttons: '10 PIXEL GRID', '40 PIXEL GRID', and a central button with a grid icon.
